Heart Presentation
- April 29 Whole School &
Class Photos
- April 30 Swimming lesson
#4

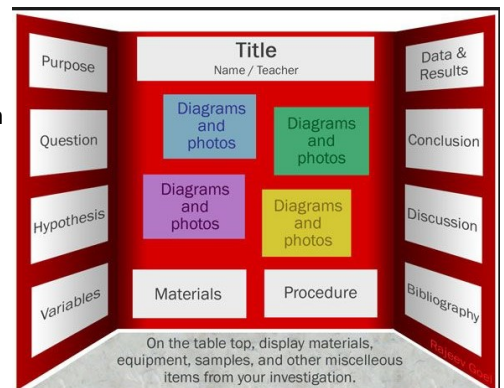

STUDENTS ENJOY WHOLE SCHOOL SKATES

PAC contributed funds towards the Port Alice Arena Societies effort, to open the Doug Bondue for a week during the end of March/beginning of April. The opening of the arena gave many groups the opportunity to fundraise during the Oscar Hickes Memorial Hockey Tournament, including PAC who raised over \$4600.00 over the duration of the weekend. We were also able to schedule 3 school skates, and a public skate during this time. It was wonderful to see all of the kids on the ice and are very happy we were able to provide the opportunity for all of our students to enjoy the ice. For some it meant their first time on ice skates, others it meant the world to them to be able to skate in their home town arena. Thank you PAC for providing this opportunity!!

SCIENCE FAIR

Sea View School will hold a Science Fair on Wednesday, April 3rd in the school gym. Projects will be judged on Wednesday afternoon and winners will be announced on Thursday. Two Winners in each grade/category (experiment, study, innovation in grade 3/4, 5/6 & 7) will have the opportunity to attend the District Science Fair at NISS on Thursday, April 11th. The gym will be open from 9:00-12:00 on Thursday, April 4th for parental viewing.

Don't forget to like us on

to be advised of weekly updates, newsletters, special events and more as soon as they are posted!

PAC NEWS

Purposes of a PAC

1. To advise the school principal and staff on parents' views and feedback about school programs, policies, plans and activities.
2. To organize PAC activities and events and endeavour to provide parent education.
3. To encourage parent involvement in the school, and to support programs that promote parent involvement.
4. To communicate with parents, and to promote co-operation between the home and the school in providing support for the education of children.
5. To assist parents in accessing the system and to advocate on behalf of parents and students.
6. To provide financial support for the goals of the PAC, as determined by its membership.

To advise and participate in the activities of the District Parent Advisory Council (DPAC) and the BC Confederation of Parent Advisory Councils.

PAC HOT LUNCH

Thursday, April 18 will be the next PAC Hot Lunch . Spaghetti and Meat Balls with Garlic bread, a baked good and beverage for \$5.00

THANK YOU FOR SUPPORTING
SEA VIEW SCHOOL PAC

PAC MEETING

The next PAC Meeting will be held on **Monday, April 29th @5:00 PM IN ROOM 103 at the Community Centre..** This is where you have your say! This year PAC has provided funding and organized several events for our students.

GROWING SMILES SPRING FUNDRAISER

Sea View PAC is once again running the Spring Growing Smiles Campaign, selling hanging baskets, herbs, soil etc. The quality of these projects have been amazing in the past and we look forward to offering these products to our friends, families and community members once again. Campaign will run From April 03-April 24 with Delivery on May 8th & 9th. This year we will be fundraising to purchase hanging baskets, and flowers to beautify our school as well as raising funds to go towards our school field trips. **DEADLINE FOR ORDERS IS APRIL 24TH @2:50 PM** at the School Office—Thank you for your support!

EAGLE VIEW K'WAMYASAP'A (PLAY POTLATCH)

Sea View School has been invited to attend a play potlatch hosted by Eagle View at the Fort Rupert Big House on Friday, April 12th. This is a district wide event and great opportunity to learn about our local culture. Students will get to witness singing, dancing and will also have the opportunity to take part in a cultural feast. The Bus will leave Sea View School at 8:40 a.m. Please have students arrive at school at 8:30 to ensure an on-time departure. The event is scheduled to run from 9:30am-12:30pm, and students should be back at school at approximately 1:15 for dismissal. Permission forms will need to be returned by Wednesday April 10th in order for students to attend this event.

NIC Lego Robotics summer camps expanding with new Level 2

Students interested in science, technology, math and engineering can further develop their skills with a new summer camp for ages 10 – 14 added to the NICBotCamp schedule for 2019.

NICBotCamps teach students to build, program and control Lego robots. New this year, the Level 2 camp will teach students more advanced builds and coding as well as sensors.

“Level 2 is aimed at students who have taken one of our Lego Robotics camps or have previous Lego Robotics experience and want to expand on their skills,” said Naomi Tabata, manager of NIC’s Centre for Applied Research, Technology and Innovation (CARTI). “This is the fourth year we’ve been able to bring the Lego Robotics camps to communities on the North Island and we’re thrilled to be able to continue to expand on the camps we offer so more students have the opportunity to explore STEM skills in a fun and interactive way.”

The Level 1 camps are for students aged 9 to 12, while Level 2 is for students aged 10 – 14.

The week-long NICBotCamps will run throughout the summer and will rotate through the region.

The first camps are scheduled in Gold River, starting July 2, with additional camps in Port Hardy, Comox, Campbell River, Tofino and Port Alberni.

Registration for the camps is open now.

For more information on the camps, including videos with past participants, visit www.nic.bc.ca/robots.

Registration is open for NICBotCamps, including a new Level 2 camp for kids

SWIMMING LESSONS

Swimming Lessons begin this month:

- ⊖ Dates: April 02,09,16,30 May 07
- ⊖ K-3 children should wear their swim suits under their clothes as they are first in the pool
- ⊖ Students will be broken up into two groups, K-3 (9:45-10:45) & 4-7 (10:45-11:45).
First Nations language lessons are planned in the Civic Centre for students while they are not swimming
- ⊖ Students should bring a recess snack and lunch, including a beverage. Please do not send money for the vending machine, as our school's focus is on healthy food choices.
- ⊖ The bus will leave Sea View School at 8:40 sharp. Please arrive by 8:30 in order for attendance to be taken and to ensure on-time departure. The bus will return at 12:45 and the children will be given time to eat and play before classes resume.

DISTRICT SCIENCE FAIR

On Thursday, April 11th the District Science Fair will take place at NISS.

Public viewing will take place on Wednesday, April 10th. Judging will begin Wednesday evening with the evaluation of the posters and provided materials and the presentation component will be on Thursday April 11th.

WHOLE SCHOOL & CLASS PHOTOS

Lifetouch Photography will be at Sea View School on Monday, April 29th for whole school and class photos. The photographer is scheduled to be at Sea View for 9:00 a.m. Strong Start and Preschool students are welcome to join us.

JUMP ROPE FOR HEART

On Friday, April 26th a representative from Jump Rope For Heart will be at Sea View School to kick-off our Jump Rope for Heart Activities. The presentation will be at 11:00am in the school gym. School Jump Rope activities will take place after the presentation and families are welcome to join us for the presentation and also to get involved in our school event.

Registration and Pledge forms will be available in the office for any students that would like to collect pledges. You can easily register and collect donations on-line. Go to www.support.heartandstroke.ca

There are even some cool thank you prizes for collecting donations!
