Principal's Message

November will be another busy month at Sea View School. Students will be working hard on Remembrance Day poems, posters and essays; these will be submitted to the Port Alice Legion for judging. A school-based Remembrance Day Assembly will be held in the school gym on Friday, November 10th at 11:00 a.m., and we invite families and community members to join us. A group of students will be singing a rendition of “In Flanders Fields” – thank you to Ms. Heim and the members of our singing club for this performance.

The Scholastic Book Fair will be held on Friday, November 17th at Sea View School (upper building) from 9-12, and again at the Community Craft Fair on November 19th. Please stop by one of these events to see all the wonderful new titles available; each book we sell provides funding for learning resources at Sea View. Also available at the craft fair this year will be raffle tickets for a one litre jar of our school honey! Sample sized jars will also be given to everyone who makes a donation of at least \$10.00 to our Healthy Hungry Kids Program. As

well, we will be selling compost tea for your houseplants and gardens – courtesy of our school worms.

This fall we held a contest to see who could guess the weight of the pumpkin grown in the school garden. Twenty-six people entered the contest. We took the pumpkin to FP Foods and then to the Post Office to be officially weighed – it was exactly 4.42 kg in both locations, and the winner of the pumpkin was Lucca Stewart, with his guess of 4.623 kg. Congratulations! And thank you to everyone who participated.

REMINDERS

- ⊙ Any parents wishing to volunteer at the school, including riding the bus and joining us on field trips must have a criminal record check completed and on file with the school. CRC's need to include a vulnerable sectors check. There is a letter which we can provide for you to take to the RCMP when requesting your CRC. Please contact the office if you have any questions
- ⊙ Hydro outages – What to do when the power goes out during a school day? Any decision to close the school has to be made by the Superintendent, and no decision will likely be made in the first half an hour of a power failure Please wait for half an hour before contacting the school, as we are busy trying to re lay and receive information when an event first happens. Just a reminder – if the power goes out BEFORE school, and you can be at home or make arrangements for your children, please do. Although staff (if at all possible) will be at school for those children who may have no other place to go, the building will be dark and cold.
- ⊙ Reminder to tuck an extra pair of socks into your child's backpack for those cold, rainy days ahead.

During November Sea View School will be focusing on Habit #3 of the Seven Habits of Happy Kids. Students have already shown great progress with Habit #1 and Habit #2 this year!

Habit #1

BE PROACTIVE

You're in charge of yourself

- I have a "can do" attitude and always try my best at everything I do.
- I follow directions and do the right things without being asked, even when nobody is looking.
- I choose my actions, attitudes, and moods and don't blame others for my wrongdoing.

Habit #2

Begin With the End in Mind

Have a plan.

- I plan ahead and set goals for myself.
- I am prepared at all times.
- I think about how the choices I make now will affect my future.
- I think about the positive or negative consequences of my actions before I act.

Habit 3 - Put First Things First

Work first, THEN play.

- I do the things that I HAVE to do before I get to do the things that I WANT to do.
- I stay focused on what I'm doing and try to minimize distractions if I get off task.
- I spend my time on the things that are the most important.
