## Congratulations to our Cross Country Team

Sea View School was well represented at this year's Cross Country Meet in Sointula. We took nine students, ranging from grade 3 to 7. Six of our nine students placed top six in their races! The day started with the Tyke girls race and our very own Kessler (gr 4) was the first of forty three girls to cross the finish line, setting a great pace for the day. The last student race of the day was the bantam boys race where Zach (gr. 7) broke the bantam record with a time of 11:16 for the 2.7 km run. Congratulations Zach on this incredible accomplishment and congratulations to all of our other runners for representing our school with such class, determination and hard work! All of runners finished strong and with smiling faces. Thank you to all of our parents who helped transport, supervise and cheer on our students!
